Putting on makeup is not only fun, it's an essential skill for every actor. Students will learn basic theatre makeup, old-age techniques, wounds and other kinds of special effects. On the final day, students will create their own character and bring them to life using a combination of techniques from the previous days work, apply the makeup themselves, and then explore their characters through improvisation games and exercises.

Basic make up kit required.

AGES 11-15

Summer Improv

Improv training inspires spontaneity, removes inhibitions and sharpens instincts. More importantly- improv is a lot of fun! Throw down the script and create characters and situations using classic improv structures. More than playing silly games, we will focus on developing skills that every actor accesses in cold reading, auditions, rehearsals and unexpected performance situations.. The emphasis will be on grounding comedy in reality and creating characters on the spot using the techniques developed by groups such as Second City, Upright Citizens Brigade, Saturday Night Live and others.

Oh- and we will be playing silly games!

Session: June 12 – 16, 2 PM – 4 PM

Demonstration of Skills: June 16 @ 3 PM in Debut's Black Box Theatre

Cost: \$95

Class size: 8-12

Instructor: Dennis Bigelow
